Of course, the Wild West remains stronger than ever, but Rockstar is boldly innovating against the open world of the game. Cenrio is just impressive. This time the main character is John Marston (not Red Harlow, of Revolver), a criminal who has settled down and does not cause any more problems to society. S that some actors of the past see m m Ton and I Marston give up their family and his home. The result? Wildlife with many horse racing, beatings in trains and ca adas.
